

RHINOG PARK RULES – Lodge and Caravan Owners

These Park Rules are in place for the good management of Rhinog Park and the benefit of all who use it. These rules form part of the Licence Agreement that is the contract between us for your occupation of a pitch/lodge on the park. They should be read alongside your Licence Agreement.

Guidance

The guidance below does not contain any new licence conditions or park rules. We use it to highlight some practical points about spending time on the park and to remind you of some of the important conditions and rules in a less formal way.

- Please remember that you must keep insurance in place during the closed months as well as the open months.
- Please remember that we do not provide an emergency service for owners. We request that the Park Warden is only contacted outside his usual hours for strict emergencies only. The replacement of gas bottles is not an emergency and there will be a £25 call out fee for owners who call the Warden for matters which are not strict emergencies.
- With this in mind, please can owners ensure that they check their gas supply when the Warden is on the park and make arrangements to ensure that they have a sufficient supply of gas for their needs.
- You are also required to comply with the Site Licence. A copy is available from Reception.
- The Licence Agreement states that you need our permission for any building works. Please contact Head Office for more information
- You are allowed on the park during the closed period by prior arrangement with Head Office or the Park Warden for maintenance purposes only. The park Site Licence forbids sleeping overnight as this is in contravention of Local Authority planning permission.
- Caravan and Lodge Owners must settle all bills within 28 days of issue. Interest will be charged at 4% over base rate per annum for the period that the amount is outstanding.
- You must ensure that a key is left in the office at all times. We will not be held responsible for any loss or theft of keys.
- Subletting is strictly forbidden. Family and friends may use the home occasionally but the owner must be the main user.
